Dear Member, Neighbor & Friend,

Spring is approaching here in Fieldstream North, and we have new four-legged members living in the community. The Board of Directors is pleased to offer a six-week Basic Obedience Class beginning **Thursday March 10, 2022, at 6:00pm** in our community dog park/playground, located just off the Freshwater Court cul-de-sac. As a resident, your dogs are welcome to participate and complete the course **FREE OF CHARGE**. (one dog per human highly recommended for optimum results)

FSN HOA has partnered with **Beyond The Leash Dog Training** to facilitate a program using positive reinforcement combined with traditional methods to achieve a happy, well-trained pet.

- Develop a better relationship with your dog
- Learn techniques to improve your dog's manners
- Master the commands of sit, stay, down, wait and come
- Stop the jumping and leash pulling
- Socialize your dog and make some new friends

Your Board of Director's chose *Beyond The Leash Dog Training* from a long list of potential vendors more than five years ago. Since then, instructor, Kim Bissing has graduated many of our current four-legged neighbors. Kim and Jasmine will train YOU to train other dogs!

The obedience course will begin Thursday March 10, 2022, at 6:00pm, recurring Thursday's from 6:00pm until 7:00pm in the gated dog park/playground just off the Freshwater Court. cul-de-sac.
(Ample parking is available in the designated playground parking lot)

For more details or to **secure your spot** in this complimentary, community focused opportunity to have fun, positive and energetic experiences with your pet simply contact the instructor directly:

Kind Regards,
