May 15, 2025

Valued Members, Homeowners and Residents:

Please note my heartfelt resignation from the *Fieldstream North HOA* Board of Directors, effective **March 1, 2026**.

For the past ten years, I've had the privilege of serving our community in various capacities. I preside over several boards and continue my long career in public safety. It has been a truly rewarding experience to contribute to making *Fieldstream North* and *East Orlando* a better place to live, work and educate our children. I've cherished the opportunity to work alongside like-minded community leaders and dedicated neighbors on projects big and small. The most satisfaction comes from the achievements within *Fieldstream North*. From the reimagining of the park amenity into the busy playground and dog park enjoyed by so many each day to re-branding and adopting technology that drives our 24/7 web portal, our state-of-the-art surveillance systems and our modern illuminated exit and entranceway.

However, after more than a decade of volunteering over 5,000 hours it makes sense for me to step down and allow fresh perspectives and new energy to guide our HOA forward. As I focus on retirement my career is shifting, making it increasingly challenging for me to dedicate the necessary time and focus that these important roles demand.

Transitioning to the side, I want to emphasize the vital importance of a strong and engaged Board of Directors for the continued well-being of our community. I sincerely encourage other homeowners to consider stepping up and offering their skills and enthusiasm to serve. New volunteers will bring fresh ideas, diverse experiences, and the capacity to address the evolving needs of our ever-changing neighborhood. Interested homeowners can contact the Board directly on our web site or contact our Property Management representative, Robert Neyor, at Sentry Management.

I am confident that with a new cohort of dedicated individuals, the *Fieldstream North HOA* will continue to thrive. It's unknown how many positions this evolution will generate, nonetheless I am happy to assist in the transition process to ensure a smooth handover of responsibilities to an outstanding Property Manager and Board of Directors.

Having provided one year's notice weeks ago to the current Board of Directors and Property Manager our members can rest-assured a new platform of competent members will step forward as candidates for any post's forthcoming.

Thank you for the opportunity to serve, and I wish *Fieldstream North HOA* and all its residents (including the four-legged furry kind) the very best for continued prosperity in one of the best communities this area has to offer.

**“Buzz”**
